2. Bear right at the golf course to get on to Farmer's Loop. Go about 3 miles E to the Dog Musers' Hall (log cabin).
3. Turn left (north) on Summit Drive. Go up to the ridge, 2.2 miles to the very top to a stop sign. This is a T-intersection with Skyline Drive.
4. Turn left on to Skyline and go West about 150 m to the first house on the right. It is one-story building, brown wood with green trim and has a flagpole and porches full of curved wood. There is a short driveway to come down and park.
