

The Colorado State Forest Service proudly presents the

2012 Forestry Fair

- Learn about Colorado forests and the resources they provide
- Seedling tree nursery tours
- Wildland fire engine shop tours
- Forestry equipment demonstrations
- Programs on High Park Fire recovery efforts, restoring for water quality and FireWise

Information on natural resource and forestry careers including:

- forestry
- natural resource management
- watershed
- wildlife
- wood utilization

Network with a variety of professionals

Participate in a Project Learning Tree workshop (3-hour early childhood or 8-hour secondary education) that incorporates the fair. Contact 303-278-8822 or www.coloradoplt.org.

September 29th

10 am - 2 pm

Located at the Colorado State Forest Service on the Colorado State University Foothills Campus, 3843 LaPorte Ave., Fort Collins, Colo.
